

Discovery Meeting: Print Design

Client/Project		Date	
----------------	--	------	--

This worksheet provides a series of conversation starters that will help you scope a client engagement.

- 1. Do research before the meeting to answer as much as possible.
- 2. DO NOT ask any questions you may have answered in your research.
- 3. Be genuinely interested and take notes during the meeting.

Design & Marketing Considerations

- ☐ Is there an existing brand online/offline?
- ☐ Are there existing brand guidelines: logos, color palettes, etc.?
- ☐ Define any existing products/offerings.
- ☐ Discuss the client's industry.
- ☐ Who are the client's primary competitors?
- ☐ Are there companies/brands that the client would like to emulate with their design/marketing of this project?
- ☐ Outline how the project will be launched, including steps to publicize the launch.

Business Objectives

- ☐ Define target goal and list adjectives describing it.
- ☐ What legal requirements might there be?

Target Audience

- ☐ Describe the target audience psychographics (fears, hopes, dreams, brand affinities etc.).
- ☐ Describe the target audience demographics (age, income, education, gender etc.).

Scope & Deliverables

- ☐ What type of print work does the client want to produce?
- ☐ What are the dimensions of each item?
- ☐ How many colors will be included in the design?
- ☐ What is the volume of pages for each item?
- ☐ Are there multiple quantities of each item expected?
- ☐ How will items be bound or folded?
- ☐ Who will write the copy?
- ☐ Where will the photos come from?
- ☐ Who will handle the printing?
- ☐ Will we need to do press checks? How many?
- ☐ Will we be delivering final printed product to the client?
