ESTIMATED PROJECT DURATION

Project timelines vary depending on client feedback turnaround times. The estimated timelines provided in this document are based upon an assumption that the client will provide feedback and approvals within one day of agency delivery milestones.

ESTIMATED PROJECT COMPLETION DATE
OCTOBER 30, 2020

If the project is not completed within 30 days of the Estimated Project Completion Date due to client delays in providing feedback, assets, approvals, content, direction, and so forth, we reserve the right to discuss and submit a change order to accommodate unforeseen expenses due to the unplanned extension of the project.

ESTIMATED PROJECT DURATION: I don't recommend putting specific milestone dates in the contract. I do recommend "estimated timeframe" for phases. How long do you expect each phase to take?

PHASE	TIMELINE
Phase 01: Phase Title	00 WEEKS
Phase 02: Phase Title	00 WEEKS
Phase 03: Phase Title	00 WEEKS
TOTAL ESTIMATED PROJECT DURATION	00 WEEKS

DELETE THIS TEXT
ESTIMATED PROJECT COMPLETION DATE: Many clients will have a specific deadline for full project completion. This can be added to this page. Keep the word "Estimated," because if the client does not fulfill their feedback turnaround times, the date will likely move.

ESTIMATED PROJECT BUDGET

The details and costs associated with this statement of work are valid for 60 days from the document date. This represents a “package price.” If elements are added to or removed from the scope of the project, the pricing for other elements may be affected. Based on the scope detailed in this document, this project budget reflects a final price commitment from our agency.

PAYMENT TERMS & INVOICE SCHEDULE

The payment terms and invoice schedule is structured to benefit both the client and agency with the objective of keeping the amount paid by the client in balance with the amount of work completed by the agency. The project is broken into phases to provide structure around both the execution of the project and payment for the work. The proposed payment terms and invoicing schedule is negotiable if it does not fit within the client’s Accounts Payable standards. **All invoices will be “Due Upon Receipt.”**
